Announcement 590

Base Rate Reinstated for Provider Type 27 for Radiology Services

This announcement updates information provided in [Web Announcement 560](#). Effective with claims dates of service on or after January 1, 2013, the base rate for provider type 27 (Radiology & Non-Invasive Diagnostic Center) has been reinstated for radiology services within the 70000-79999 code range.

Claims with dates of service on or after January 1, 2013, that paid at the technical component (TC) rate will be automatically reprocessed. Providers will be notified when the claims are reprocessed.
